### DPL LABS TO PRESENT SEMINAR ON HDMI™ INTEGRATOR ISSUES AND NEW DPL PROGRAM

*HDMI™ Expert Jeff Boccaccio to Present Informative Seminar at EH Expo, March 13-15*

ORMOND BEACH, FL – MARCH 3, 2008 – DPL Laboratories, Inc. (DPL Labs) announced today that it will offer a complimentary seminar titled ***HDMI™ Integrator Issues and the DPL Solution*** at the upcoming EH Expo in Orlando, FL on March 13, 14, and 15. Jeff Boccaccio, a recognized industry expert on HDMI™ technology will be presenting detailed information on the challenges HDMI™ poses for today's integrators and offer some simple solutions to common HDMI™ issues.

In addition to the integrator issues, Mr. Boccaccio will be providing information on the new DPL HD Performance Testing & Certification Program now in a nationwide launch. Integrators will learn why the program was developed, what the certification process entails, and how it will benefit not only integrators...but consumers as well.

**All EH Expo attendees are welcome to participate in these complimentary seminars.** There will be a total of four sessions during the Expo and each session will take place at the booth of a manufacturer who participates in the DPL certification program. Please see the seminar schedule shown below for time and place of each presentation. Be sure to bring your HDMI™ questions with you, as Mr. Boccaccio will be available for a question-and-answer session at the end of each presentation.

ABOUT DPL LABORATORIES, INC.

DPL Laboratories, Inc. (DPL Labs) administers the recently launched DPL HD Performance Testing & Certification Program in which their independent laboratory tests advanced digital products, such as HDMI™ cables, against an objective performance standard and determines an accurate ranking based on actual data-backed results...not marketing hype. Consumers can then use this ranking to assist them in purchasing the correct product for their application. Look for the DPL performance certification seal as your assurance of quality product performance.

Manufacturers participating in the DPL program are companies dedicated to providing their customers with the highest possible level of performance. They are equally committed to helping reduce the level of confusion that consumers face as they try to select the proper HDMI™ product for their needs. Participating brands include Next Generation, Honeywell, Ethereal, Direct Connect and VizionWare.

To see a continuously updated list of participating manufacturers, or to get more details on this program, see online at: <http://www.dplrating.org> or call 386/615-2434.
